Usquepaugh Model Horse Club

Newsletter #0

I needed to get the email newsletter program set up, so I figured I would send along an actual mini newsletter as the start of that process!

Welcome to UMHC!

The club where there is a little something for everyone! I encourage everyone to try out many different activities - earn both Member Points and Model Points towards End of Season Championships!

Club News

The club has kicked off as of 1/1/26 and will run through 9/1/27.

We are kicking off the season with 2 months of Virtual Events!

Virtual Events Hunter Pace Classes:

VEHP01- Jumping; VEHP02 - Non-Jumping; VEHP03- Trail Riders

Virtual Event Harness Racing Classes:

VEHR01 - STB Trotters; VEHR02 - Other Trotters; VEHR03 - Pacers

Virtual Event Endurance Classes:

VEEN01 - Arabians; VEEN02-Part Arabian; VEEN03 - Other Breeds

Enter by emailing a photo of the model along with: Class #, Model Name, Breed, Gender, Tag # (optional) to umhc2026@gmail.com

Free to enter. Winners selected by random drawing – winning models earn Model Points towards season championships, Members earn 0.5 Member Points per Division entered

Upcoming Events

January – Virtual Events – Harness Racing & Hunter Pace – entries due by 1/15

February – Virtual Events – Hunter Pace & Endurance – entries due by 2/10

Seeking Judges for Everything!

If you can help out judging at any of the Live shows or Photo Shows please email me at UMHC2026@gmail.com

Live Show judges earn \$1 per class, free lunch and 2-3 Member Points!!

View Live Show Packets on RegionXNation

Member Point Leader Board

SBR Big Ben	0 points
Holly	0 points
Leia	0 points
Popkornsky Kernel	0 points
Pedro	0 points

(These are obviously not members - these are my pets - and yes, one of my horse's registered name is really Popkornsky Kernel. For now these are place holders until we have some member points.)

Model Point Leader Board

Freedom	0 points in OFP Breed
Ashaway	0 points in OFP Coll.
Figment	0 points in M Perf. West.
Tribulation	0 points in C Perf. Eng.
Executive Decision	0 points in OFP Breed

(These are some of my earliest "show string" models - today they would not be competitive but back in the day they showed quite a bit. For now, they are holding places until we have model points.)
